In Memoriam

VICTORIA SUE MORGAN

To the beloved memory of a wonderful girl. We, of the 1965 Rider Staff, humbly dedicate the Hulbert Rider to Victoria Sue Morgan, who was known to all as Vicky. Her untimely passing, a great shock and loss, was shared by all the faculty and classmates of Hulbert School. We will always remember Vicky for her friendship and her outstanding accomplishments.

FIRST NATIONAL BANK, Tahlequah - Whenver you go, you find there is prestige in the saying, "I Bank At The First."

Superintendent's Message

Dear Students:

To the Annual Staff and Sponsor I wish to express my sincere thanks and appreciation for making the Rider of 1965 of Hulbert High School a tremendous success.

You have recorded within these pages school life as it actually happened, and the memories of this eventful experience as depicted by these pictures will forever be treasured by you and your posterity.

It is our hope that you who are leaving us, and you who shall remain, have been helped by us in becoming a worthwhile citizen and leader we know you are capable of being.

Sincerely,

Pitchford Thompson

HIGH SCHOOL PRINCIPAL

Dear Students:

It is my sincere wish that success, happiness, and self-realization may come to each student of Hulbert School.

The Creator has given you life. Surely he meant for you to use that life wisely and well. You more than ever are living in a period which offers greater opportunities for achievement. You can contribute something toward a better world or you can contribute nothing. Which course will you choose?

Sincerely,

Raymond Edwards

ELEMENTARY PRINCIPAL

Dear Students:

The best thinkers of all ages have been men and women of strength and courage. They have met the challenge of an untamed world with an inquisitive mind, ferreting out the mysterious laws of nature, taming the oceans, the skies, and the lands at the same time building character and a desire for more knowledge inspiring each succeeding generation to carry on with the same strength and courage to greater fields of learning.

So, students, you are links in that long chain of humanity that is to build a more humane and intellectual society for our human race. So, keep forging ahead with greater strength and courage.
